1. I give you glory, honor and praise, Ted, and those who have trouble believing that I give you glory and honor and praise don't know how I come and give the people that give Me glory honor and praise, glory honor and praise.

I come, and I call and I confirm and I lift, I lift, I lift. I do not oppress and suppress. I come and I liberate, I bring freedom, I bring honor and honesty, integrity in the value system of My kingdom, in My hand, My Father, Me, us, one, to them.

I love and I lift. I lift and I sinew and I bring relationships of integrity, relationships of honor, relationships of glory, into the relationships of those who become intent on having relationship with Me—one not of convenience, but one of deliberate intent—with intensity to know Me for who I am, what I am, what I do and how I do it, freeing their design in what I have placed in them in the process.

2. I love you and I give you praise, honor and glory for all the times you have given Me praise, honor and glory. You will see Me honor you and you will see Me honor every person that honors Me as I lift My body now to realms heretofore un-obtained, and thought unattainable.

3. I come, and I call, and I confirm, and I confirm that My hand sweeps this nation and sweeps My globe in areas, ways, creating opportunities never thought before possible, many not existing at this time. I love you and I bless you.

4. Have fun at lunch. Continue to let My people know how much I care about them; how much I care about their lunches and who they relationship with, and how they lift, how they free and liberate, and how I call them to never oppress and suppress.

5. I liberate My body today as never before.
I am freedom and freedom reigns.
I Am.
I love you.
Amen
